

### STOP THE HAT E! Nobody can make you feel inferior without your consent.

I.I.S.S. DELPRETE-FALCONE - 1B LSA

Bullying affects a high percentage of children, it can compromise their health, their emotions and it can sometimes leads to suicide. Bullying is not "normal" and it's not part of a personal, happy growth. One type of bullying isn't better than another one, bullying is Bullying and it is always harmful.

s others, who

A bully is someone who hurts others, who does bad things to one person again and again.

# There are three types of bullying:

#### VERBAL BULLYING:

when the bully refers to the victim with mean and ugly names.

> "You're a Freak" "You're so ugly" "Loser!"

### PHYSICAL BULLYING:

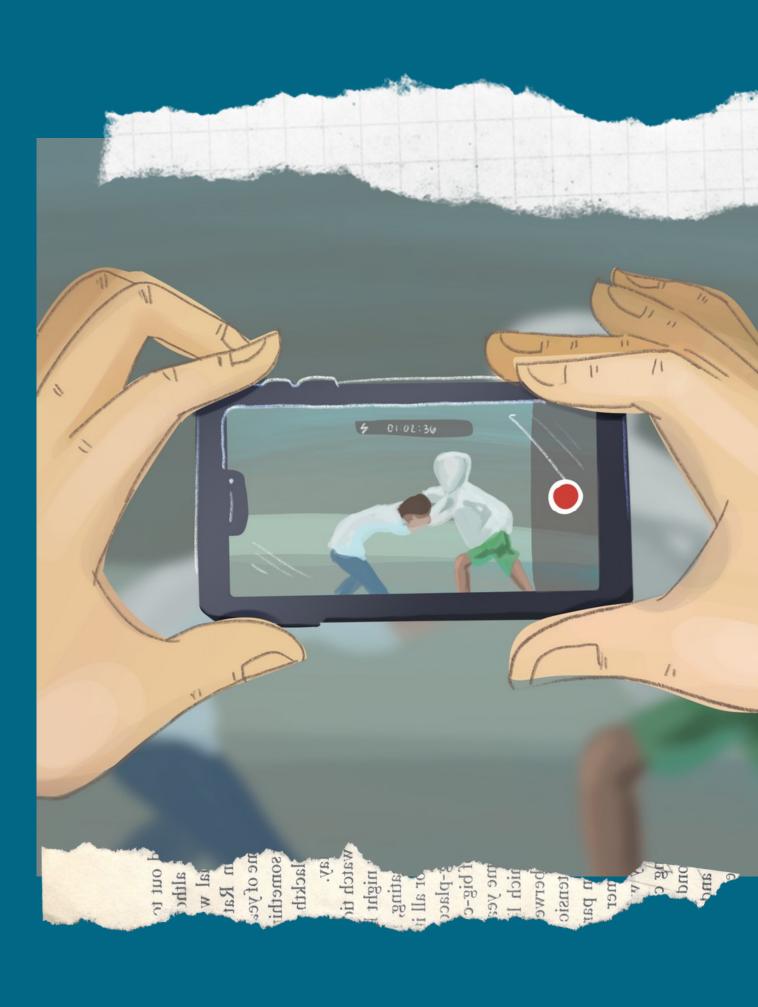

when the bully hits, punches, kicks. They physically hurt the victim, sometimes very seriously.

### EMOTIONAL BULLYING:

bullies don't touch the victim, but they play with their feelings. They often spread rumors or they laugh behind their back.

### The Bystander

Sometimes the bully gets helped by a bystander, for example they join the bully, they laugh when the bully does something wrong and they "like" the bully's posts. Some bystanders do nothing because they're afraid, but that's not ok. These people make the problem worse.

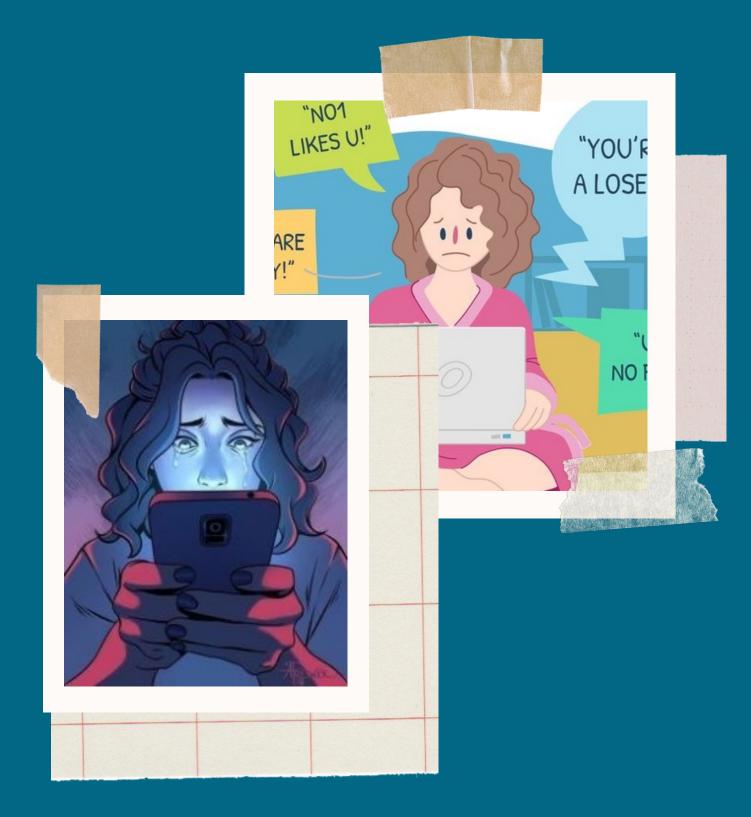

Howcan bystandershelp? Theycan do Small things. Theycan stop the bullying, they can stop laughing or also stop to put 'like" to bully's posts.

# The Bysta

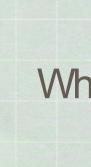

# Cyberbullying

Cyberbullying is another real problem of teenagers. Often there are bullies also on the internet, they post mean photos, or send mean messages to the victim. Cyberbullying is real bullying, and we have to stop it.

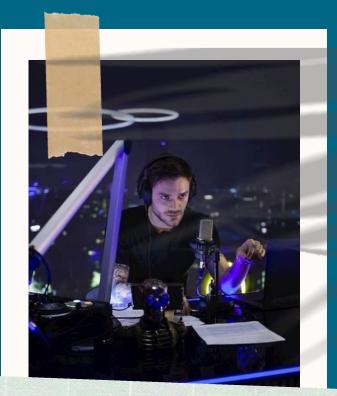

You should never trust people online, you cannot know who is hiding behind a screen. In case you become a victim, don't keep everything inside, tell the parents, the teachers or you can call the police and the postal police.

# What we can do to stop the bullying?

This film talks about a physic teacher who becames a criminal, after the suicide of his son. Stefano is aradio host, who helps the police to catch the criminal. Carlo, the theacher, plays some games with Stef, by the radio, and if he doesn't do what he asks, he'll blow up the city.

## "Il Talento del Calabrone"

At the end of the film, we discover the reason for wich Carlo behaves in this way. In the past, Stef bullied his son, and because of this, the son, fallen into depression, kills himself. Carlo wants to take his revenge. At the

end, police finds the bombcar in the skyscraper where they were broadcasting, and Carlo in the car with it; the police officers kills Carlo, but the bomb was a fake.

## "Il Talento del Colabrone"

This film teaches us why bulling is wrong, it's a metaphor for why you shouldn't bully. Fear is one of the strongest emotions, it confuses you and upsets your soul.

### STOP THE HATE!

# You are not strong if you make others feel weak.
